Senior Portrait sittings can be done anywhere in Connecticut, from the woods to the beach, and anywhere in between. We recommend choosing a location that is special to you, and will work with you to come up with just the right place.

We are always happy to incorporate personal items, such as musical instruments or sports equipment, to make your portraits truly unique. We are also able to supply customized props for an additional fee.

Proofs will be posted on a password protected web site, which can be shared with family and friends. Printed proofs and image files are available for an addition fee.

**Senior Portrait Sittings include retouching, formatting and submission of one file directly to your school for the yearbook.**
